

The Scale of Cooperation
Accreditation program

International Training

The purpose of the program is to educate people **to understand, present, explain & use organically and efficiently the Scale of Cooperation.**

Target group: people who work with teams (NGO representatives, coaches, facilitators, trainers, teachers, HR professionals).

After a successful participation, you will be a certified Scale user & you will have the possibility to become **a member of Scale of Cooperation community.**

As a member of the community you will have the opportunity to

- **take part** in the community meetings, online & offline
- **meet and exchange experience & good practices** with other professionals (coaches, trainers, facilitators, consultants) all around Europe working with groups in various environments
- **stay updated** about the newest developments regarding the Scale
- **receive (online) support** in managing challenging situations & cases
- further **deepen your understanding** of the Scale & the applicability of it in your work environment

This time is a two day certification program in English that will be finalized with two online meetings in the months after these dates.

Dates: 29 February and 1 March 2024. You have the chance to stay one day longer for the annual member's meeting. In this meeting, on the 2nd of March active and experienced Scale of Cooperation users come together to share their learnings and insights. This is also the moment where we will share the newest developments around the Scale.

This training is open for everyone who would like to join.
